Now Your Gift Can Have an Even Bigger Impact

A gift to the Victoria Foundation is unlike any other.

First, your tax-deductible gift is invested, so it continues to grow over time. The earnings from your investment are donated to local charities you care about. Not just once, but year after year. Forever.

What's more, you can see the impact of your generosity — because the Foundation supports local charities right here in your community.

Your Foundation gift is flexible, too. You can set up an endowment fund in your family's name, or to honour a loved one, or remain anonymous.

And you can choose which charities you'd like to support.

Rest assured, your gift will make a lasting difference. The Victoria Foundation has been helping people for more than 70 years. Since 1969, we have distributed over 15 million dollars to 350 charities on southern Vancouver Island. What inspires us, year after year, is the opportunity to improve virtually every aspect of community life.
