

### Ski and Snowboard Rack

Quick and easy to fit, this ski and snowboard rack offers a wide variety of loading options for skis, ski poles and snowboards.

### iPod® Integration Kit

Now that you've filled your iPod® with great music, enjoy it while you're on the road. The iPod® Integration Kit works seamlessly with your vehicle's audio system.

### All-Season Floor Mats

Made of water-proof durable rubber with deep ridges for drainage, they protect your vehicle's carpet from mud, slush and snow.

### 18" 5-spoke wheels

These sporty 18" 5-spoke aluminum-alloy wheels emphasize the power and practical design of your Mercedes-Benz.

# Prepare your Mercedes-Benz for anything winter throws at it

We're heading into the coldest, snowiest months of the year. So now is the time to make sure your vehicle is properly dressed and maintained for winter. Plus, we always service your vehicle with Genuine Mercedes-Benz Parts. So your vehicle retains more of its value, and continues to provide all the comfort, style, performance and security you expect from a Mercedes-Benz.
