UFile Tax Software can help you get it!

This year, prepare your tax returns using UFile. UFile can help you get “money back where you least expect it” for you and your family. Here’s how:

- **Only UFile has the MAXBACK REFUND ANALYZER.** It combines tax information from each of your family members and then finds every possible deduction or transfer to help minimize your taxes and maximize your refund. Get tax deductions you never knew existed!
- **It’s so easy to use!** UFile’s acclaimed QuikClik Interview makes it easy to enter all the information you need to produce complete and accurate tax returns. Do your tax return in minutes!
- **NETFILE™ your tax return** to the Canada Revenue Agency to get your refund back FAST.¹
- **UFile imports data quickly and easily** from QuickTax® or TaxWiz®.² And each year, UFile will carry forward your tax information to the next year, making it faster and easier to complete your return.
- **It’s powerful.** UFile uses the same calculation engine found in professional tax products used by accountants and other tax preparers across Canada.

Save yourself a trip to the store!

Order right now and we’ll *RUSH* your UFile tax software to your door within 3 business days. PLUS, you get FREE SHIPPING through this special offer!

1. Product updates that will enable UFile’s Netfile capability are available from the Internet or by mail. Minimum shipping charge applies for CD-Rom updates. Income tax preparation software companies must seek NETFILE certification from the Canada Revenue Agency (the “CRA”) for tax preparation software products which are to be used in conjunction with CRA’s NETFILE electronic tax filing service. NETFILE certification of this Product from the CRA may or may not have been obtained at this time. Please consult the CRA website <http://www.ufile.ca/WhyUFile/NetfileCertification.asp> beginning February 2007 to determine the status of UFile’s application for certification.

2. Data import from QuickTax® or TaxWiz® will require Internet access.

3. For a complete list of supported forms visit www.ufile.ca/forms.
